

Baseline Data
Survey for Young Children
K-3

Conducted by
The SouthEast Regional Vision for Education (SERVE), Inc. for the Intensive Sites of the
*Southeast and Islands Regional Technology in Education Consortium(SEIR*TEC)*

We are trying to learn how you feel about using computers
in your school. Follow the directions for each section.

| |
|--|
| <p>First name _____</p> <p>I am a(circle): Boy Girl</p> <p>School _____</p> <p>Grade _____</p> |
|--|

Teachers: Please read the directions for the two sections to the children. If a child is not an independent reader, please read the questions to the child.

Please return the survey to your teacher. Thanks.

Directions: Circle Y(yes) if you agree with the statement, N(no) if you disagree with the statement and U(not sure) if you are not sure.

1. There should be computers in my class.

Y
